

Selling Duffields trusted animal feeds

About us

Duffields are a family owned business that has manufactured animal feeds for over 100 years.

Operating from four factories we manufacture poultry, pig, cattle, sheep, game and small animal feeds.

All the mills are fully UFAS Assured, which ensures full traceability of ingredients and consistency of feeds.

The products are formulated to provide high quality palatable feeds which will supply optimum nutrition for your customers' livestock.

Duffields work closely with their merchant customers to help grow their sales.

Your customers can have confidence in Duffields Trusted Animal Feeds.

High standards

Duffields manufacture their own products in the UK.

Duffields have strict quality control procedures in place for manufacture of all feeds and all feeds are made to the highest possible standards.

All our mills are UFAS (United Feed Assurance Scheme) Approved Feed Mills.
